The Kentucky Commission on Human Rights is the state government authority that enforces the Kentucky Civil Rights Act (Kentucky Revised Statutes Chapter 344), and through its affiliations with the Equal Employment Opportunity Commission and the U.S. Department of Housing and Urban Development, enforces federal civil rights laws.

The Kentucky Civil Rights Act makes it unlawful to discriminate against people in the areas of employment, financial credit transactions, housing, and public accommodations. Discrimination is prohibited in these areas based on race, color, religion, national origin, gender, and disability. In employment, discrimination is further prohibited on the basis of age (40 years and over) and on the basis of tobacco-smoking status. In housing, discrimination is further prohibited based on familial status, which protects people with children in the household under the age of 18 years old, and it protects women who are pregnant. It is also a violation of the law to retaliate against a person for reporting or alleging discrimination.

For help with discrimination or to make a discrimination complaint, contact the commission at 1-800-292-5566. For information about the commission and civil rights, visit the website at [www.kchr.ky.gov](http://www.kchr.ky.gov).
